Building Works

The rebuilding of our church porch has now
started and is expected to last about 22
weeks. While this is in progress the entrance
to both the church and the rear halls will be
at the back, off Lonsdale road, past the site
of the demolished garages and up the south
side of our building, through the green door
of the south porch for the church or through
the red doors for the back halls.

Items for this side of Partnership Link should, for the time being, be sent to John Harding by 6pm on Tuesday
(email: john.harding22@gmail.com or phone: 01865 556487)
